

# Country Updates in Session 3 - Review of the Implementation of CAREC Health Strategy 2030

- Each of the CAREC countries will
  - provide short updates on key programs and activities supporting implementation of CAREC Health Strategy and Regional Investment Framework 2022-2027 (*Enhancing Health Security through Cooperation*), and
  - outline key milestones achieved on Climate Change and Health.
- Each CAREC country will be given 2 minutes on Day 1, Session 3, of the meeting to share these updates in a statement. There will be no presentation slides.

Thank you very much!
